Encuentren los enlaces de la encuesta en el nuevo website: [www.taosschools.org](http://www.taosschools.org).

## *For Calendar until January 31<sup>st</sup>:*

Taos Municipal Schools wants community input through a strategic plan survey for community members. Find links on website: [www.taosschools.org](http://www.taosschools.org). Deadline is January 31<sup>st</sup>.

## *Short story for future interview:*

Taos Municipal Schools needs community input and help in filling out a survey as they develop a new strategic plan to guide improvements in the schools. Responses to the questions on the survey will help the district understand existing issues and needs, identify causes and potential roadblocks, provide information to help measure progress, and identify priorities and specific projects. TMS will have links to two surveys created through Survey Monkey for community members and parents on their new website. Only one survey is to be filled out and the parent survey is for parents of students attending Arroyos del Norte Elementary, Enos Garcia Elementary, Ranchos Elementary, Taos Middle School, Taos High School, Chrysalis-Nonviolence Center and Taos Cyber Magnet School. The survey can be found on the new and improved website at [www.taosschools.org](http://www.taosschools.org). For more information, contact Superintendent Lillian Torrez at TMS.
